APOLLO is a striking 54.3-metre motor yacht built by Amels in 2013 as part of the highly acclaimed Limited Edition 180 series. Combining timeless exterior styling by Tim Heywood Design Ltd. with elegant interiors by Studio Laura Sessa, APOLLO delivers the perfect balance between proven Northern European pedigree, sophisticated comfort, and long-range cruising capability.

Constructed with a steel hull and aluminium superstructure, APOLLO offers exceptional stability, reliability, and transoceanic performance. Her generous 671 GT interior volume creates an atmosphere rarely found on yachts within this size category, with expansive guest areas designed for both private family use and luxurious entertaining.

APOLLO accommodates up to 12 guests in beautifully appointed staterooms, supported by a professional crew of 12. Large exterior decks provide multiple areas for al fresco dining, lounging, and relaxation, while her elegant interior spaces feature refined finishes, abundant natural light, and a warm contemporary ambiance throughout.

Powered by twin MTU 16V 2000 M70 engines, APOLLO cruises comfortably at 13 knots with a top speed of 15.5 knots, offering efficient and dependable cruising for extended Mediterranean and international voyages.

As one of the most successful platforms ever produced by Amels, APOLLO represents an outstanding opportunity to acquire a pedigree Northern European yacht with proven charter appeal, timeless design, and exceptional build quality.
